

ES3640pro MFP

OKI
PRINTING SOLUTIONS

Advanced document workflow and
colour excellence

EXECUTIVE
SERIES

CREATED BY
OKI PRINTING SOLUTIONS

More than just a colour MFP, embedded workflow intelligence and colour accuracy.

The ES3640pro MFP has been created with the business user in mind; printing, copying, faxing & advanced scanning via the embedded EFI software is all available as standard in a powerful yet easy to use device. Colour accuracy and production workflow is managed via an internal EFI Fiery System 8e controller and intuitive document control is handled via the unique embedded EFI SendMe software. The ES3640pro MFP is a truly exceptional device offering a level of control and output not seen in any product in this class, excellence as standard only from OKI Printing Solutions.

Fast, intelligent office workflows

The ES3640pro MFP sets new standards in workflow and document integration. All elements of the document input and output process can be managed via the large intuitive touch screen that installs confidence in users and reduces the time taken to carry out everyday tasks.

A simple one-step process for harmonising workflow with applications such as Microsoft SharePoint and no need for investment in additional servers and IT resource mean that the ES3640pro MFP is raising the bar when it comes to efficiency.

Professional colour accuracy

Colour consistency and accuracy are delivered on all levels with the embedded EFI controller. Whether using the standard settings or exploring the sophisticated colour management tools, the power of the System 8e controller is clear. Printing bottlenecks and tight deadlines will become a thing of the past and together with an extended suite of utilities such as Command Workstation and Hot Folders, the ES3640pro MFP is a true production professional.

Key Features and Benefits

Print

Stunning results and outstanding performance

A combination of 36 full colour A4 prints per minute, 1200 x 1200 dpi, ProQ Multi-level print technology and high capacity toners ensures that the ES3640pro MFP delivers outstanding results together with unparalleled performance.

The level of detail is enhanced further by the EFI Fiery System 8e controller delivering a reduction in graininess and giving prints unsurpassed levels of depth.

Copy

Simple, one-touch copying for ease of use

Copy mode is the default setting so with copy speeds up to 36cpm for colour A4 and 40cpm for mono A4 larger volumes of paperwork can be handled quickly and simply with ease via the 100-sheet automatic document feeder (ADF).

Scan

Multi-task scanning to any output

No longer do you need to print and distribute, the ES3640pro MFP has a full array of scan facilities; scan to e-mail, FTP, mailbox or into the unique embedded SendMe application. Once scanned you can edit your documents, add metadata and then input directly into your document management system*

*See specifications for compatibility table

Fax

Effortless faxing

The ES3640pro MFP offers true professional fully-featured ITU-T G3 standard analog fax capability. The unique operator panel with its 12 one touch dials and 500-speed dials simplifies and speeds the sending of faxes to assist business efficiency.

Security

Controls use, protects data

The enhanced security features of the ES3640pro MFP give complete peace of mind. The ability to control and monitor who and how documents are produced along with the capability of restricting unnecessary usage will ensure that your investment is protected.

For absolute control and to ensure confidentiality is maintained where appropriate, print jobs can be subjected to 256-bit job encryption and data flow can be restricted along with the ability to prevent any unauthorised access.

The ES3640pro MFP Features at a Glance

	ES3640pro MFP

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Specification subject to change without notice. All trademarks acknowledged.

Why OKI Printing Solutions?

OKI Printing Solutions is the business printing specialist.

Our single-minded aim is to help businesses to grow and to prosper by enabling them to create the best possible impression with their printed communications. By building on our proven, reliable, single-pass technology, we have developed fast, high quality, cost-effective printing solutions that benefit businesses today and into the future.

We also know how important reliability is for customers. That's why every one of our products is built to perform, day in, day out, helping to maintain business efficiency and provide that competitive edge.

OKI Printing Solutions. No one does more in business printing.

Why Executive Series?

Heritage of award winning products.

Building on OKI Printing Solutions' heritage of award winning products, the exclusive Executive Series range of Multifunction Products, colour and mono printers provide hassle-free document solutions, budgetary control and enhanced workflow efficiency.

Our selected Executive Series partners can provide a print strategy and tailored solution that delivers total peace of mind through fully serviced products and the benefits of predictable budgeting.
